

Albuquerque FSDO presents:

Seeandavoid.org

Role and services of little known USAF organization called "see & avoid" in helping to manage joint use airspace and avoid conflicts between military and GA users.

Directions: Federal Pavilion is along the flight line adjacent to the homebuilts and 1/2 way between Warbirds and Conoco/Phillips Square

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
